

# 10<sup>th</sup> Workshop and Conference on Advanced Multiphoton and Fluorescence Lifetime Imaging Techniques FLIM2015

## TOPICS:

Clinical application of multiphoton imaging, Fluorescence lifetime imaging microscopy, In-vivo multiphoton tomography of human skin, Ophthalmic FLIM CARS, STED, FCS, FRET  
Hybrid multimodal systems (multiphoton, FLIM, CARS, OCT, photoacoustics)

## Organized by

UNIVERSITÄT  
DES  
SAARLANDES

Department of Biophotonics & Laser Technology  
Faculty of Physics and Mechatronics  
Saarland University, Saarbrücken, Germany  
www.blm.uni-saarland.de

Contact:  
**Prof. Dr. Karsten König**  
k.koenig@blm.uni-saarland.de

Becker & Hickl GmbH  
Berlin, Germany  
www.becker-hickl.com

Contact:  
**Dr. Wolfgang Becker**  
info@becker-hickl.com

Experts in Femtosecond Laser Technology

JenLab GmbH  
Saarbrücken, Germany  
www.jenlab.de

Contact:  
**Martin Weinigel**  
info@jenlab.de

## Speakers

### Honorary guest

### Wolfgang Kaiser

Pioneer of Laser Technology and Non-Linear Optics

Zane Arp  
Wolfgang Becker  
Michael Börsch  
Kirby Campbell  
Alberto Diaspro  
Chantal Dysli  
Paul French  
Thomas Gensch  
Martin Hammer  
Robert Hoffman  
Gerhard Holst  
Volker Huck  
Gereon Hüttmann  
Martin Kaatz  
Jürgen Kolenda  
Karsten König  
Annette Kraegeloh  
Tuan Le  
Andreas Ostendorf  
Ana-Maria Pena  
Ammasi Periasamy  
Michael S. Roberts  
Angelika Rück  
Peter So  
Chiara Stringari  
Klaus Suhling  
Bruce Tromberg  
Aisada Uchugonova  
Steven S. Vogel  
Yi Xue  
Elena Zagaynova

GlaxoSmithKline, Pennsylvania, USA  
Becker & Hickl GmbH, Berlin  
Friedrich Schiller University, Jena  
University of Wisconsin - Madison, USA  
Italian Institute of Technology, Genova, Italy  
Insel-Spital, Bern, Schweiz  
Imperial College, London, UK  
Forschungszentrum Jülich  
Friedrich Schiller University, Jena  
AntiCancer Inc., San Diego, USA  
PCO AG, Kelheim  
Heidelberg University  
University of Lübeck  
Universitätsklinikum Jena, Jena  
Coherent GmbH, Dieburg  
Saarland University, Saarbrücken  
Leibniz-Institut für Neue Materialien, Saarbrücken  
FemtoLasers Produktions GmbH, Vienna, Austria  
Ruhr University, Bochum  
L'Oréal Paris, France  
Keck Center for Cellular Imaging, Charlottesville, USA  
University of Queensland, Brisbane, Australia  
Ulm University  
Massachusetts Institute of Technology, USA  
Ecole Polytechnique, Palaiseau, Frankreich  
King's College, London, UK  
Beckman Laser Institute, Irvine, USA  
Saarland University, Saarbrücken  
National Institute of Health, Bethesda, USA  
Massachusetts Institute of Technology, USA  
Nizhny Novgorod State Medical Academy, Russia
